only one model of the El Camino available, though Chevy made this fact attractive by providing a slew of different options. One popular option was the SS sports package that provided distinctive exterior trim and 15-inch wheels. For the first time, the El Camino Custom models could not be chosen with a six-cylinder engine, which was only available for

A redesigned A-body platform translated into a longer wheelbase for Chevrolet's 1968 El Camino. Sales went up by 20 percent to 41,791 - a new high for the car. That record then soared to more than 57,000 in 1972, the last year for the Coke-bottle-shaped Chevelle body that had debuted four years before.
