These guys speak Yamaha like no others. Lowest prices, strong inventory, even in these times and outstanding customer service. What else is there - but ducks and fish I have Used Crowley Marine for years for for my 115 and 200 Yamahas - the 115 duck hunts HARD all winter and the 200 pushes a Tidewater 22 Carolina Bay All over the sounds of NC.

Have ridden a 2012 YZ125 and a 2012 SX150. The yz had surprising bottom end for a 125, the 150 mostly has more top end I found, and comparable bottom end power. The 150 however was a beautiful bike to ride. Have you considered a ktm 200? Top end of a 125 with a better bottom end than a lot of 4 strokes. Very easy to ride and a great all-rounder.
