The factory alarm system on... The factory alarm system on my 2005 Dodge Ram 1500 truck goes off and disables the vehicle as soon as I open a door every time I set then unset it it using the factory fob. Pressing the "alarm off" button on the fob at this point does nothing. The only way to silence the alarm is to start the truck, which I have discovered I can do by turning on the ignition switch while depressing a button that is mounted behind the "alarm on" indicator light mounted under the ...
