Most generally, member engagement is a two-way investment between an organization and its members. The organization's most ardent supporters contribute money, time, and passion, and the organization devotes energy to the member experience. For organizations, the goal of member engagement is to boost its members' perceived value of the ...

Many church members are caught in the gap between attending church and being part of it. ... The infamous 80/20 rule suggests 80 percent of the church's work comes from 20 percent of the congregation. We've become so saturated with consumerism that it's easy to assume this rule is a law churches need to accept—but it shouldn't be ...
