### A Brief History Of Chinese

Chinese history has alternated between periods of political unity and peace, and periods of war and failed statehood—the most recent being the Chinese Civil War(1927–1949). China was occasionally dominated by steppe peoples, most of whom were eventually assimilated into the Han Chinese culture and population.

### History of China - Wikipedia

The early Chinese Civilization included the Xia Dynasty which remained from around 2100 BC until 1600 BC, and is described in the ancient Records of the Grand Historians, from which pottery and shells have been excavated that belonged to this period. After that, it was followed by the Shang Dynasty which existed from 1600-1046 BC.

### A Brief History Of Chinese Civilization - WorldAtlas

A Brief History of China tells of the development of a rich and complex civilization where the use of paper, writing, money and gunpowder were widespread in ancient times and where silk, ceramics, tea, metal implements and other products were produced and exported around the globe. It examines the special conditions that allowed a single culture to unify an entire continent spanning 10 billion square kilometers under the rule of a single man—and the unbelievably rich artistic, literary and ...
