A Concise History of Japan by Brett L. Walker
A CONCISE HISTORY OF JAPAN To this day, Japan's modern ascendancy challenges many assumptions about world history, particularly theories regarding the rise of the West and why the modern world looks the way it does. In this engaging new history, Brett L. Walker tackles key themes regarding Japan's relationships

A Concise History of Japan (Cambridge Concise Histories ...
It is a concise history of Japan. If you dont know anything about Japanese history and you are interested in it, this is a great book. I loved how it did not shy away from the important women in Japanese history and how the environment affects the country on an elevated level.

A Concise History of Japan (E3)
A Concise History of Japan integrates the pageantry of Japanese history with today's environmental concerns, including climate change, rising sea levels, violent Pacific storms, and devastating tsunami. It explores the changing environmental conditions that have shaped Japanese history, and how Japan has in turn shaped our changing environment.
