A Novel Approach to Politics: Introducing Political ...

Even scholars presume that political branches are incapable of controlling them. There is an ongoing debate over the fundamental compatibility of bureaucracy and democracy. Ideally, bureaucracies need to be able to adapt to changes, but that would conflict with the ideal of rule-based decision making.

About the author (2017) Studies of popular media and political theory led to the undergraduate textbook, A Novel Approach to Politics, which is now in its 4th edition. Also, before returning to the analysis of media freedom with this project, he conducted a series of studies examining the relationship between information flows, disasters,...

A novel approach to politics - SlideShare

What is Political Science? We can think of science as a set of rules and processes we agree to use to generate agreement reality. Thus, the “science” in political science is the effort to develop a greater understanding of politics by conducting research openly and transparently, utilizing methods that will convince other political scientists to accept the results as accurate and correct.
