This third installment, the end of the main trilogy, was pretty darn good. There's something about Garth Nix's writing that just really does it for me. The subtle humor and wit, the syntax and sentence structure. It's all just so great. I love everything about it! The world is the best fantasy world ever, in my not so humble opinion.

Picking up where Lirael left off, Abhorsen is a wonderfully drawn conclusion to the trilogy. Tim Curry is at his best, bringing the characters to life, and Garth Nix's tale draws us right in. With heaps of magic, necromancy and ghoulish dead, the protagonists must strive hard to survive this epic tale. I personally had trouble getting through Sabriel.
