you (either an individual or a single entity), and acer inc. including its subsidiaries ("acer") for the software (whether provided by acer or by acer's licensors or suppliers) that accompanies this agreement, including any associated media, printed materials and related user electronic documentation which may be branded "acer" ("soft ware").

#### User Guide - Acer Inc.

If you did a clean install of Windows 10 then you do not have the special Acer drivers including touch. I would go to the support page and download the drives for what is not working (you may need to select Win 7 & All to see the touch driver for a W500.. Many older drivers still work with Windows 10.
