State auditor blasts UC for admitting unqualified students ...

As an admission condition, all incoming students (excluding non-graduating students and continuing & professional education students) are required to undergo a medical examination. The University reserves the right to refuse admission to or exclude a student from any particular course of study if he/she declines to undergo the health examinations or refuse any prescribed tests.

Admission Matters: What Students and Parents Need to Know ...

"Admission Matters demystifies the college admissions process for students and parents. Students who take the practical, common sense advice to heart will feel less stress and achieve better admissions results. I tell my students that if you can only afford to buy one book on college admissions, Admission Matters should be the one."

What Matters In College Admission - Forbes

A stinging report issued by California's state auditor today slams the University of California for a culture of privileging wealth and access over merit in its admissions process, galvanizing concern that talented low-income students and students of color are displaced by less qualified but better connected students.. The audit report found that four UC campuses "unfairly admitted 64 ...
