What is Electric Charge? (Electrodynamics)

I have been watching his videos for past almost 1 year. I think by far its been my best decision. He just explains the most complex things in just a sentence. Most other videos focus too much on sensationalizing. But he is spot on from science poi...

Nick Lucid's Tumblr. Advanced Theoretical Physics

I've had a few requests for longer videos. Unless I change the format, this is what it would be like if I made 10 minute videos. Any constructive feedback is appreciated :) If you prefer ...

170 CHAPTER 7. When a physics student rst learns about special relativity, abstract equa- tions are often thrown at them with little and/or poor explanation. This is a cause for much of the confusion regarding the ideas in this theory.

Advanced Theoretical Physics - Gumroad

At the Science Asylum, we present anything related to science from the point of view of Nick Lucid... a physicist already driven a little crazy by science. S...
