

Africa Rising How 900 Million African Consumers Offer More Than You Think

Established in 1978, O'Reilly Media is a world renowned platform to download books, magazines and tutorials for free. Even though they started with print publications, they are now famous for digital books. The website features a massive collection of eBooks in categories like, IT industry, computers, technology, etc. You can download the books in PDF format, however, to get an access to the free downloads you need to sign up with your name and email address.
