Denise Grover Swank Interview  
Aftermath Denise Grover Swank  
After Math is one of those books  
that surprises you at ever turn. I  
was not expecting to love it as  
much as I did and it's a testament  
to the talent of Denise Grover  
Swank. I don't think there is a  
genre she can't write. After Math  
is a new adult romance that does  
not have over the top angst,  
which I loved.
