Against the Odds: An Autobiography by James Dyson. In an  
industry where the term "latest technology" usually implies  
nothing more than re-styling, new colour and perhaps a  
retractable cord, James Dyson's creations have taken the market  
by storm. This is the rags-to-riches story of an inventor whose  
unswerving optimism brought him success.~~

Against the Odds: An Autobiography. This revolutionary (bagless)  
vacuum cleaner has taken the market by storm, but not without  
years of personal struggle and crises for its inventor. Faced with  
little or no support at every turn, Dyson's™ extraordinary story  
shows how his unswerving optimism and self-belief has brought~~
