A metaphor for a dead weight or burden that one must carry, especially when the burden is not a literal one but a stigma of some kind that one cannot easily discard or throw off. The name comes from a story about a sailor who killed an albatross that was following his ship, an act thought to bring bad luck upon the ship. His fellow sailors made him wear the dead albatross around his neck as ...

## **Urban Dictionary: albatross**

The word albatross is sometimes used metaphorically to mean a psychological burden that feels like a curse.. It is an allusion to Samuel Taylor Coleridge's poem The Rime of the Ancient Mariner (1798). In the poem, an albatross starts to follow a ship — being followed by an albatross was generally considered a sign of good luck. However, the titular mariner shoots the albatross with a ...
