Book Review | *It* by Alexa Chung.

"When I was thirteen I spent a lot of time pretending to like dance music because everyone at my school seemed to love it. If only I'd known it was OK to have different tastes to others and that one day my mind would be blown open by an older man who would introduce me to The Smiths, The Cure, Buzzcocks, Talking Heads and almost every other band I adore to this day.

It by Alexa Chung
Alexa Chung wrote this book for young girls (her fans). It is neither a formal biography nor a book of great stories. Chung wrote this book as if it were her diary --filled with doodles and pictures. She doesn't focus on her life story, instead shows the reader her witty and funny side.
