Alfred's Essentials of Music Theory is designed for students of
any age, whether listeners or performers, who want to have a
better understanding of the language of music. In this all-in-one
theory course, you will learn the essentials of music through
concise lessons, practice your music reading and writing skills in
the exercises, improve your listening skills with the available ear-
training CDs (sold separately), and test your knowledge with a
review that completes each unit.
