I really need the online algebra 1 textbook because i'm struggling with algebra, but I left my book at school. Does anyone know where i can get it? I tried their website but it only let's you create an account to see the book if you have some number that's on the back of the book. Obviously I don't have that number seeing as I don't have the book with me.

The Algebra 1 3.0 works a little differently than the 2.0. The academic content is the same as always and includes over 100 hours of multimedia instruction! However, each course is now delivered online as a 12-month subscription (per student). This obviously means no more discs (and, importantly, no more need for expensive disc replacements).
