adventure when we read the story by Lewis Carroll. It was definitely everyone's favorite childhood story to read repeatedly. So, when Alice In Wonderland came once again to bewilder its audience, the excitement was hard to control. In 2010, Alice In Wonderland released which is a dark fantasy adventure film.

Steadman's anarchic take on Lewis Carroll's Alice in Wonderland became an instant classic. In Steadman's hands, the White Rabbit becomes a modern commuter with complete with bowler hat and umbrella, the March Hare and the Mad Hatter sit at a table with a tree growing through the middle and the playing cards look like coal miners
