The legacy of Sir Ken Robinson. He was professor of arts education at the University of Warwick for 12 years, and in 1999 he led a national commission on creativity, education and the economy for the UK government, leading to the publication of All our futures: creativity, culture and education - known as the Robinson Report.

## ~~Sir Ken Robinson obituary | Education | The Guardian~~

I think it can. Here's my definition, based on the work of the All Our Futures group: Creativity is the process of having original ideas that have value. There are two other concepts to keep in mind: imagination and innovation. Imagination is the root of creativity. It is the ability to bring to mind things that aren't present to our senses.
