ALLEN-BRADLEY MICROLOGIX 1200 USER MANUAL Pdf Download ...

Imagine a large clock on the wall with different sections. These sections would be the attributes. One section would display the current time in our own time zone. Another section (attribute) would be for UTC. Yet another section would display the total number of seconds that have passed since Jan 1, 1970.

ControlLogix GSV command (WallClockTime) -- System Time
