Letterland was created to teach phonics using a story-based approach. The story logic engages students leading to long term retention of concepts. What's more, Letterland is wonderfully multi-sensory. It activates every learning channel through music, actions, alliteration, movement, song, art, games and role-play.

Letterland is wonderfully multi-sensory. It activates every learning channel through music, actions, alliteration, movement, song, art, games and role-play.

Parent Guide | Letterland Phonics

The Letterland materials your child will be using at school will depend on what grade level they are and the environment in which they are being taught. Most teachers using Letterland in the classroom will be using a teaching pack which includes our software, books from the ABC trilogy, songs, flashcards, posters and copymasters.

The Letterland Story

We have a large selection of resources for teachers (US and ESL curriculums) and for parents to use at home. The resources are free to download. Please also subscribe to our Newsletter for the latest information from Letterland.

Letterland Alphabet Songs — Letterland | Last.fm

This is a good version of the Letterland ABC songs. Each letter has its own song as well as music about the vowels and an intro song. I like this one better than the handwriting CD from Letterland. This one is also without the "British English" enunciation.
