Ask questions that challenge short-term memory such as “Do you remember what we did last night?” The answer will likely be “no,” which may be humiliating for the person with dementia. Talk in paragraphs. Instead, offer one idea at a time. Point out the person’s memory difficulty. Avoid remarks such as “I just told you that.”

Tips for Alzheimer's and Dementia Caregivers - HelpGuide.org

Common options for Alzheimer’s care include adult day care, home care or assisted living communities. All can — and should — be catered to people with memory impairment, for example finding a home care aide who specializes in dementia patients, or opting for a room in a memory care unit at an assisted living community.
