Download the full Amada Promecam ITS Hydraulic Press Brake 45899 Manual. Do you need a Press Brake Retrofit or a New Press Brake? Automec, Inc. can help! We are the industry leader in retrofitting press brakes and shears. Our positioning systems consist of a programmable control where the operator enters a dimension and a motorized gauging mechanism automatically moves through a sequence of programmed dimensions. These systems can be retrofitted to press brakes, shears, cut-off saws and punches.
