Amarcord est un film franco-italien, une comédie dramatique, de Federico Fellini sorti en 1973. Il reçoit l'Oscar du meilleur film en langue étrangère en 1975. En dialecte romagnol, « Amarcord » signifie à peu près « je me souviens » (en italien, (io) mi ricordo). Le film est une chronique d'un adolescent turbulent et attachant, Titta, qui pourrait bien être Fellini lui-même.

If ever there was a movie made entirely out of nostalgia and joy, by a filmmaker at the heedless height of his powers, that movie is Federico Fellini's "Amarcord." The title means "I remember" in the dialect of Rimini, the seaside town of his youth, but these are memories of memories, transformed by affection and fantasy and much improved in the telling.

Federico Fellini, Writer: Amarcord. The women who both attracted and frightened him and an Italy dominated in his youth by Mussolini and Pope Pius XII - inspired the dreams that Fellini started recording in notebooks in the 1960s. Life and dreams were raw material for his films. His native Rimini and characters like Saraghina (the devil herself said the priests who ran his school) -...

Federico Fellini's Amarcord has often been linked with Ingmar Bergman's Fanny and Alexander as films made by old men looking back on their youth. While this is true, Amarcord has a loose narrative structure in which the lives of many characters are detailed in comic vignettes, whereas Fanny and Alexander is a straightforward drama. In fact, Amarcord shares a deeper affinity with another ...
