There are certain books that, once read, alter one ' s mind permanently. This is such a book. Na ï ve readers and patriots beware: You will never think about the world in the same way after you have read just the first two chapters of American War Machine. American War Machine is a study of what the author, Peter Dale Scott, calls deep politics. A Berkeley professor and poet, Scott has largely created his own vocabulary to analyze a political reality that seldom is studied systematically.

American War Machine - Wikispooks

American War Machine: Deep Politics, the CIA Global Drug Connection, and the Road to Afghanistan Reflecting on the covert actions of the CIA, Scott used the term " parapolitics " in his suppressed book, The War Conspiracy. A quarter century later, his research had taken him beyond parapolitics into a wider arena of generally hidden goings on.
