Americans and the California Dream, 1850-1915

As a result of the California Gold Rush after 1849, California's name became indelibly connected with the Gold Rush, and fast success in a new world became known as the "California Dream". California was perceived as a place of new beginnings, where great wealth could reward hard work and good luck. The notion inspired the idea of an American Dream. California was seen as a lucky place, a land of opportunity and good fortune.

Abstract. Philip Kan Gotanda's *I Dream of Chang and Eng* (2011) is a fictional imagining of the lives of the conjoined Siamese twins Chang and Eng who lived in the United States in the nineteenth century (1811-1874). The play dramatizes the twins' ascent from monstrosity to social acceptance. Gotanda draws on the transformation of the twins' status from the exotic poor aliens to the ...
