Analytic versus Continental Philosophy | Issue 74 ...

A famous debate between Jacques Derrida (continental) and John Searle (analytic) ended with Searle denouncing Derrida's "obscurantism" and Derrida mocking Searle's "superficiality." The distinction between analytic and continental philosophers seems odd, first of all, because it contrasts a geographical characterization (philosophy ...

Some Thoughts About "Continental" and "Analytic" Philosophy

Analytic philosophy typically deals with narrowly defined topics with great precision, formal (or pseudo-formal) arguments, and aspirations to clarity. Continental philosophy is likely to take on more ambitious and significant topics, but often treats them solely in a poetic and allusive manner.

---

Analytic Versus Continental Arguments On

"This book gives a superb overview of the full range of discussions, arguments, positions and main figures in continental and analytic philosophy, and it provides invaluable insight into the myriad methodological, topical, and doctrinal differences between the two traditions.

James Chase and Jack Reynolds, Analytic versus Continental ...  
continental philosophy engages in a critique of modernity, that it “embraces” the historicity of thought, say, whereas analytic philosophy adopts norms of argument constrained by formal logic or probability theory and is more science-focused than oriented to history and politics, are familiar commonplaces. But such “essentialist”

---

Amazon.com: Customer reviews: Analytic versus Continental ...  
Continental philosophers tend to be interested in social issues, such as feminism, Marxism, and queer theory, and try to challenge structures of political oppression against women, racial minorities, the poor, etc. Continental philosophers argue that these concerns are relevant to all branches of philosophy, whereas analytic philosophers argue that they are not relevant to fields like logic or philosophy of mind.
