## **Chemiluminescent Measurement of Hydrogen ... - pubs.acs.org**

This practice exam is designed for the full-year ACS Analytical Chemistry Exam. The idea is to take this as an exam, a timer is part of the exam, so that the practice exam simulates the timed-test environment. Students should avoid using notes while taking the practice test so that the experience is as close to taking an exam as possible.

## **Timed Online Analytical Chemistry Practice Exam (One Time Use)**

I took the ACS analytical chemistry final a few years ago and it wasn't that bad... or at least it wasn't that bad compared to our prof's normal exams. I don't remember details (I also don't remember hardly anything from A chem), but I do remember that a decent amount of it was conceptual.
