### Books like Anathem by Neal Stephenson : printSF

Anathem is intellectually rigorous and exceedingly complex, even to the point, as the Washington Post avows, of being "grandiose, overwrought and pretty damn dull." Others complained of too much abstraction. Stephenson's fans are legion, however, and many will add Anathem to their list of must-read doorstops.

### Summary and reviews of Anathem by Neal Stephenson

It has for some time been a pet theory of mine that the common thread tying together Neal Stephenson's fictional output over the last decade is not, or at least not only, his fascination with science, technology, their development and the philosophies and worldviews that developed with them, and those philosophies and worldviews' effects on human society, but rather his desire to write an epic fantasy centering around these topics.

### Anathem by Neal Stephenson - Books on Google Play

Neal Stephenson is a blazing new force on the sci-fi scene. With the groundbreaking cyberpunk novel Snow Crash, he has "vaulted onto the literary stage." It weaves virtual reality, Sumerian myth, and just about everything in between with a cool, hip cybersensibility - in short, it is the gigathriller of the information age. 4 out of 5 stars
