Mediation is a tool designed to be used at strategic times and for specific purposes. It is a process designed to facilitate a negotiated solution to a dispute. Mediation allows the parties to retain control of the outcome rather than relinquishing the power of decision to a judge, jury, or panel of arbitrators.

Research Shows that your brain begins to deteriorate once you hit your mid-twenties.And continues to degrade as you get older. This structural deterioration progressively leads to cognitive impairment, increased risk of mental illness and neurodegenerative disease.. But research over the last 20 years has demonstrated that age-related cognitive decline can be controlled by meditation.

Sam Harris, one of the so-called New Atheists, has been making waves recently with his new book Waking Up: A Guide to Spirituality Without Religion. In it Harris talks openly about his meditation practice and spiritual experience-something he has done before but doesn't seem to have gained as much interest or notice as it has now.

Chris Dierkes | Sam Harris' Buddhist Bullshit

We've all been there during a yoga practice or meditation session: Despite our best efforts, monkey-mind takes over and we're running through everything from that sticky interaction with the boss to all the to-dos that need to happen before the end of the day. One way to quiet this all-too-common scenario is to practice using a yoga mantra. Similar to the breath, mantras are a useful tool ...

The Vancouver-sef Meditation Park stars Sandra Oh, who long before she became a household name from the ER of Grey's Anatomy, got her real start in Shum's Double Happiness in 1994.

Review: Meditation Park is a complex portrait of the lives ...

Traditional mediation results in a non-binding agreement reached from mutual participation in the designing of the agreement. Through mutual participation and self-determination it is anticipated that both parties will adhere to the stipulations of a settlement without the need for a 'binding' agreement.

Mandatory Mediation: Implications and Challenges

The Hazelden Betty Ford Foundation is a force of healing and hope for individuals, families and communities affected by addiction to alcohol and other drugs. As the nation's leading nonprofit provider of comprehensive inpatient and outpatient treatment for adults and youth, the Foundation has 17 locations nationwide and collaborates with an expansive network throughout health care.
