## **And On That Bombshell: Inside the Madness and Genius of ...**

And on that Bombshell is a look back at the golden years of Top Gear from 2002 to the disastrous events of 2015 by the series script editor Richard Porter. As a big fan of the show I enjoyed the book immensely. As you might expect from a show writer, the book is just as witty and silly as the series was as it dives into the history of the show and how it became a global phenomenon.
