## **And The Pursuit Of Happiness**

" Life, Liberty and the pursuit of Happiness " is a well-known phrase in the United States Declaration of Independence. The phrase gives three examples of the " unalienable rights " which the Declaration says have been given to all humans by their creator, and which governments are created to protect.

## **Un-Addicting Ourselves From the Pursuit of Happiness ...**

As we celebrate once again the anniversary of our nation's Declaration of Independence, we can rightfully take pride in its recognition that all men are "endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness." These words remind those in government, not just in this country but in all nations, of the limits of their power, a moral boundary that must never be violated if the government is to retain its legitimacy.

## **The Meaning of "Life, Liberty, and the Pursuit of Happiness"**

Whether it is self-evident or not, it is the philosophical belief in the rights of life, liberty, and the pursuit of happiness that helped make America both great and good.
