Android Tv Box Leelbox

Its TV Box no longer as an expectation as people. But something always upside down, Leelbox released its upgrade Q4 MAX Android TV Box 8.1, with 4GB RAM+64GB ROM, yet \$69.99, a cheaper price than many TV Boxes on the market. I assume that almost everyone hunting a family streamer media player is mainly interested in one thing only: does Kodi work well on this cheap little box?
