

Anima An Anatomy Of A Personified Notion

Anima An Anatomy Of A

The anima is a female archetype of the male psyche. Hillman delves into this difficult to understand Jungian concept in great detail -- for example, the relationship of the anima to the psyche and the soul, or whether the anima is a sexual archetype.

Animal Anatomy All living organisms, with the exception of basic single-celled organisms, are made up of various different parts which enable them to function. The majority of an animal's body is made up of water, cells and a protective or supportive structure such as a skeleton made out of bone or a hard outer shell to protect it.

Anatomy of a Scandal by Sarah Vaughan is a 2018 Atria/Emily Bestler Books Publication. Timely, with a few very intriguing twists! When the Junior Member of England, James Whitehouse, is caught out in an affair, it looks as though he will weather the storm, both professionally and personally- until his mistress, Olivia, comes forward with an accusation of rape.
