Competition law is a law that promotes or seeks to maintain market competition by regulating anti-competitive conduct by companies. Competition law is implemented through public and private enforcement. Competition law is known as antitrust law in the United States for historical reasons, and as anti-monopoly law in China and Russia. In previous years it has been known as trade practices law ...

AntiTrust - Trailer (2001) - Vídeo Dailymotion

Antitrust is a multifaceted and complex area of law, including civil litigation, criminal enforcement, merger and non-merger investigations, and client counseling. Staying current on key developments is challenging for regular antitrust practitioners, let alone generalists and inside counsel. Over the course of 2018, there were several major developments, including a decision from the Supreme ...

Private Enforcement of Competition Law Conference

In recent years, the debate over antitrust enforcement in digital markets has intensified. Hefty fines levied on Google by the European Commission (EC) and multiple European probes into 'big tech' companies, including Google, Amazon, Facebook and Apple, have spurred a lively debate with regard to whether current competition law tools are appropriate for these markets.
