The Second World War : Antony Beevor : 9781780225647

Antony Beevor provides a valuable reminder to what depths imperialism and capitalism can sink, even in Europe. In 1939, capitalist politicians and generals restarted the world war that had been ended by the revolutions in Russia in 1917 and Germany in 1918.

The Second World War: Amazon.co.uk: Beevor, Antony ...

The Second World War Summary The Second World War by Antony Beevor A magisterial, single-volume history of the greatest conflict the world has ever known by our foremost military historian. The Second World War began in August 1939 on the edge of Manchuria and ended there exactly six years later with the Soviet invasion of northern China.

Over the past two decades, Antony Beevor has established himself as one of the world's premier historians of WWII. His multi-award winning books have included Stalingrad and The Fall of Berlin 1945.

Book Review: The Second World War by Antony Beevor ...

Antony Beevor is the first historian to describe Operation Barbarossa the way my Grandfather experienced it. He doesn't shy away from any of the atrocities of the war, including ones not normally noted in the west: the Japanese atrocities in China, and the Red Army's invasion of eastern Europe.

The Second World War by Antony Beevor - review | Antony ...

The war in Europe appeared completely divorced from the war in the Pacific and China, and yet events on opposite sides of the world had profound effects. Using the most up-to-date scholarship and research, Beevor assembles the whole picture in a gripping narrative that extends from the North Atlantic to the South Pacific and from the snowbound steppe to the North African Desert.
