~~Ap Calculus Ab Bc~~

AP Calculus BC courses often cover everything in Calculus AB in the first semester, while AB stretches that material out over a full year. If you decide to take Calculus AB and Calculus BC as a sequence - for example take AB Calculus junior year and then BC Calculus senior year - you don't have to worry about picking between the two classes.

~~AP Calculus AB and BC~~

The AP Calculus exam comes in two versions: AB and BC. Generally speaking, the BC test is more comprehensive than the AB. Many colleges and universities award credits for high scores on AP exams, sometimes up to a full year of calculus.
