Semantic and Communicative Translation: Two Approaches, One Method. Viaggio, Sergio. In a sequel to a review of the translation theory of Peter Newmark, it is argued that there is a single best method of translating regardless of whether the translator takes a semantic, communicative, or other approach. Methods of translating and approaches to extracting the sense of the text are clearly distinguished.

Approaches to translation Peter Newmark ☐☐☐☐. I have proposed only two methods of translation: a) communicative translation, where the translator attempts to produce the same effect on the TL readers as was produced by the original on the SL readers, and b) semantic translation, where the translator attempts, within the bare syntactic and semantic constrains of the TL, to reproduce the precise contextual meaning of the author.
