Switching to AQA from OCR A If you're thinking of switching to AQA from OCR GCSE Biology A (J243) for teaching from September 2016, this resource will provide a helpful comparison of the subject content and assessment for each awarding body. It directly compares the current OCR specification, with our new specification (8461) for 2016 onwards.

Aqa Biology 8461 Gcse Specification

Download specification GCSE Biology is part of our science suite, developed with teachers to inspire and challenge students of all abilities and aspirations. The core content follows a coherent and logical story through

biology.

Biology (8461) | AQA | GCSE | Syllabus

This is my mindmap of the AQA 8461 GCSE specification. Use it as you will. I did it for myself when the new spec. 9-1 levels came out. It was my way of identifying how this spec. was structured. It can also be used for the Biology section of Trilogy although the numbers may not match the headings will.
