### **ARCHITECTURE THE WHOLE STORY - My Blog**

With more than 1,000 illustrations and hundreds of entries on individual buildings, The Whole Story is a “look-book” of architectural history. Articles on particular buildings, each a double-page spread, sit between slightly longer chapters that discuss historical or regional styles such as Indian sacred architecture or Brutalism.

The fifth addition to Thames & Hudson's 'Whole Story' series is an accessible, informative introduction to the history of

architecture.

### **Architecture : the whole story (Book, 2014) [WorldCat.org]**

The best single book on the history of photography that I've read. The contributors cover roughly every photographic movement, except for micro-genres on Tumblr or whatever, and even for readers who might already be familiar with the photographers involved, there are many interesting bits of information to be learned (e.g., that Eggleston overexposed all of his color film by three stops, which ...
