Fortunately, I have come across "Avia Guide to Home Theater", possibly one of the best calibration tools I have come across for home theater enthusiasts. The Avia DVD is probably one of the easiest tools I have used for this purpose. I have tried other calibration DVD's, however they only provide the patterns. Avia separates itself from these by actually walking your through, step by step, how to calibrate you audio and video setups. Figure 1. Avia Main Menu
