Frost Permits in participating counties allow divisible and non-divisible loads to travel weighing up to 7 ton per axle on a 6 ton per axle restricted gravel road (not valid for pavement) during the Frost Law period. Permit cost is \$1,000 per county if that county chooses to participate. License plate and unit numbers must be provided.

LoadPass Permits Electronic Permit System User Guide

A trailer or 5th wheel suspension just 1/4" out of alignment over 5000 miles is the equivalent of dragging your RV sideways for 125 miles! Correct Track Alignment gets your towable RV's suspension back in alignment to help prevent dangerous blow-outs that cause expensive damage to fender skirts, wheel wells and suspension components plus the cost of tire replacement.
