## Back to Black - Wikipedia

The Back-to-Africa movement, in the nineteenth century called Black Zionism or the colonization movement', encouraged Americans of African ancestry to return to Africa—not to their original homelands, which in most cases were unknown, but to the continent. In general the movement was an overwhelming failure; very few freed slaves wanted to move to Africa, and the small number that did—some under duress—initially faced brutal conditions. As the failure became known in the United States ...
