(PDF) Banking union: A solution to the Euro zone crisis?
A banking union can help break the correlation between a sovereign debt crisis and a banking crisis. When the rating agencies downgrade a country's debt, the securities suffer a loss in value and move into the category of "risky assets", becoming less liquid.

Bank-to-Bank Transfer through Western Union Business Solutions
The solution was to centralize specialized, non-teller banking agents into a single facility, and then have the banking agents available via a Vidyo-enabled session to meet members' needs in each of its three physical branches. BluCurrent knew that for successful member adoption of video-enabled banking, the experience would have to be as personal, private and professional as talking with an experienced agent in person.

Financial, Banking Solutions Across Industries | MUFG Americas
National solutions still trump Eurozone solutions. This is the consequence of not having a Eurozone-wide deposit insurance available, while this national bias is also the cause for political reluctance to move to completing the banking union with a deposit insurance scheme. Deeper than regulatory constraints, however,...
