Abstract. This book is the first in the 'Beliefs in government' series, and examines the general consensus that the relationship between citizens and the state in Western European societies have undergone a fundamental change over the last few decades, to the detriment of representative democracy. Addressing the problem from the citizen's perspective, it identifies the ten fundamental components of the view that representative democracy is under threat, and then proceeds to test them ...

Citizens and the State - Oxford Scholarship

State citizenship and United States citizenship. While most Americans readily and unwittingly claim to be U.S. citizens, the provisions of these two types of American citizenship are distinct from each other. I personally prefer to not use the term citizen at all and use state national instead.
