While advertising and public relations can go hand-in-hand, their focus is far different. You can use your advertising skills to get a job in PR and vice versa, but just because you work in one industry does not mean you automatically know everything about the other. Advertising is about selling a product, a service, or sometimes an idea.

Marketers have successfully reached the deepest depths! And while some advertising can be rather alluring and enlightening to consumers, many tactics have evolved to be seen as more of a "hassle" in the recent past. Feedback from consumers has shown how and why over-advertising becomes detrimental to a brand.
