~~Brothers And Sisters In Adoption—
Adoption Learning Partners~~

Developing a sense of family cohesion takes time. Adoptive parents will need to work to make sure that the needs of all children in the family are being met. A good adoption home study evaluates the impact of the adoption on all family members and will help to prepare siblings for the addition of new family members.

~~Brothers and Sisters in Adoption: Helping Children ...~~

In many ways, adopted people form continued family relationships with their brothers and sisters in adoption, people whom they may or may not share a biological connection to. These are the people we share with in support groups.
