Burning Wheel uses a simple D6 die pool system at its core. Grab a handful of dice equal to your skill or stat. Roll the dice. Any 4s, 5s or 6s that result are considered successes. You need a certain number of successes to pass tests. The system builds on that simple core to create deep, dynamic results.

## The Sword Demo Adventure - Burning Wheel

I'm running my first Burning Wheel campaign in a couple of weeks and one my players has been reading the rulebook (thank the gods), and has brought up a really interesting criticism. For context, since this game will be my first in the Burning Wheel, I don't feel confident modifying the game much, if any. In their words,
