Faith Wambura Ngunjiri, Concordia College, MN. Published 2015. Women as Global Leaders is the second volume in the new Women and Leadership: Research, Theory, and Practice book series published for the International Leadership Association by IAP. Global leadership is an emerging area of research, with only a small but growing published literature base.

IAP || Book || Women as Global Leaders

Dr. Faith Wambura Ngunjiri's research focuses on two broad areas: spirituality/faith at work and women & leadership. Under spirituality at work, she studies how leaders integrate their faith into their leadership practice, and how organizations engage in religiously and culturally religious employees through use of workplace chaplains. The Women and Leadership Affinity Group of the International Leadership Association recently recognized her research on women and leadership with the ...
